

## Literacy100

### Resources mentioned/ linked to Literacy During Lockdown Discussion 11/5/20

#### Webinars:

- [https://www.youtube.com/watch?v=PrryR-8LFo&list=PLg\\_hTtp1fDqolTbQ6QVmYnY-j17xpqd5s](https://www.youtube.com/watch?v=PrryR-8LFo&list=PLg_hTtp1fDqolTbQ6QVmYnY-j17xpqd5s) -Autistica webinars on how to support individuals with autism remotely. Their webinar series is ongoing.
- <https://abilitynet.org.uk/free-resources/webinars> : abilitynet webinars
- Citizens online Eventbrite page for weekly webinars. **Tomorrow's 14/5/20 is focused on supporting individuals with English as a second language:**  
<https://www.eventbrite.com/o/citizens-online-17314549330>

#### Digital literacy support:

- <https://abilitynet.org.uk/free-resources/abilitynet-factsheets> : abilitynet factsheets
- [https://mcmw.abilitynet.org.uk/?gclid=EAAlaIQobChMInZjM06Su6QIVRLDtCh3xVA55EAA\\_YASAAEgL8gfD\\_BwE](https://mcmw.abilitynet.org.uk/?gclid=EAAlaIQobChMInZjM06Su6QIVRLDtCh3xVA55EAA_YASAAEgL8gfD_BwE) my computer myway
- <https://www.learnmyway.com/> - easy to access digital learning modules. You would need to register as a [Good Things Foundation Online centre](#) Being an Online centre provides a wealth of online and offline support including an opportunity to be a part of the [devicesdotnow project](#).

#### ESOL:

- <https://helloenglish.com/> - dual language learning English app that is completely free in a range of languages often used by ESOL learners, particularly asylum seekers
- <https://www.esolcourses.com/> - brilliant site with online ESOL courses at all levels.

#### Access to the internet:

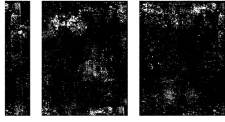

- BT Basic Broadband at around £11 a month all in:  
<https://btplc.com/inclusion/ProductsAndServices/BTBasic/BTBasicBroadband/index.htm>
- The GiffGaff Goodybank for individuals who are already on Giff Gaff, they can ask for additional support: <https://community.giffgaff.com/d/33108086-the-goodybank-helping-members-in-need>
- This is a map outlining all the free wifi points (obviously useful for post lockdown)  
<https://fon.com/maps/>

#### Connecting digitally with learners:

- <https://whereby.com/> - simple way to have video calls for free for up to 4 people in a room
- <https://web.whatsapp.com/> - easy way to manage multiple whatsapp chats/ create peer edublogs.org – easy way to build blogs and organise resources in one space

**Families:**

- <https://www.thenational.academy/online-classroom> - a fantastic website for those with children. Clearly structured and organised lessons that parents can do with children.
